## SIDE BAR AGREEMENTS

### A. RECALL PROCEDURE

In lieu of a disciplinary action for failure to report for recall, the Union and its members agree that a moral obligation exists to provide additional manpower in time of emergency and do hereby pledge to adhere to a Department-wide "general recall" whereby a tone alert is transmitted to all members who are in turn morally obligated to call in to satisfy same.

Notification shall mean activation of beeper paging system. Personal notification or attempted notification at a telephone number provided to the Department by the Fire Fighter for recall purposes shall be in accordance with Article 36.

The recall procedure as outlined above shall be on a trial basis for one year from date of contract execution at which time it shall be reviewed by the Fire Chief as to its effectiveness. If at that time the Fire Chief determines that the "moral obligation" procedure is not sufficient to satisfy the emergency needs of the Fire Department, the mandatory recall designation in the January 1987 to October 1989 Contract will be re-instituted by order of the Fire Chief.

### B. FIRE PREVENTION AND INFORMATION MANAGEMENT WORK SCHEDULE

The revised work schedule for all members assigned to Fire Prevention or Information Management shall be established by the Fire Chief and shall consist of work tours of ten (10) hours not to exceed 42 hours in an 8 week cycle.
